- Main Outcome: Biography / autobiography

GEOGRAPHY

Amazon Basin

- Understand the location of the Amazon Basin region.
- Evaluate the role of the rainforest in climate change.
- Examine the diversity in the rainforest.
- Make connections between key physical and human features in the rainforest.
- Appreciate the size and importance of the River Amazon.
- Use relevant geographical vocabulary.
- Investigate how the people of the rainforest live and make a living.
- Use evidence to justify opinions about deforestation.

ART

We will be exploring portraits and using mixed media to create our final piece of artwork.

SCIENCE

This term our topics are:

Properties and changes of materials

- We will be comparing and grouping together everyday materials.
- Know that some materials will dissolve in liquid to form a solution, and describe how to recover a substance from a solution.
- Use knowledge of solids, liquids and gases.
- Demonstrate that dissolving, mixing and changes of state are reversible changes.

R.E.

The units we cover are:

- Creation
- Miracles of the Sacrament of the sick
- Advent

'YOUR CHILDREN WILL BE TAUGHT BY THE LORD AND GREAT SHALL BE THE PEACE OF YOUR CHILDREN'

ISAIAH
