

YEAR 4 SPRING TERM

BOOKS

ENGLISH

Using our Class texts, we will be focussing on:

- Newspaper articles
- Dialogue
- Interviews
- Justifications

Our SPAG focus will be:

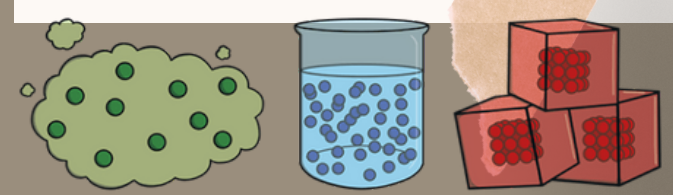

- Conjunctions
- Prefixes and Suffixes
- Word Class

GEOGRAPHY

We will be learning about East Anglia

We will be:

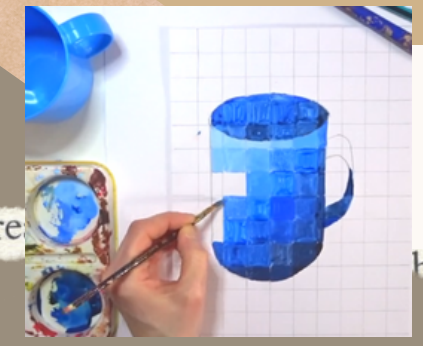

- Looking at the differences between the East of England and the West midlands.
- Focusing on the physical features of East Anglia such as climate and coastline changes.

ART

Painting and mixed media: Light and Dark.

Children will be creating a painting that shows an understanding of how colour can be used to show light and dark.

D.T.

Electrical Systems: Torches

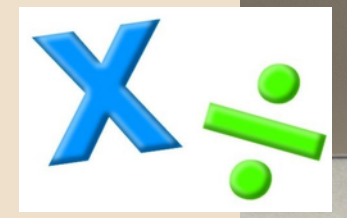

Children will be creating a functioning torch with a switch according to their design criteria.

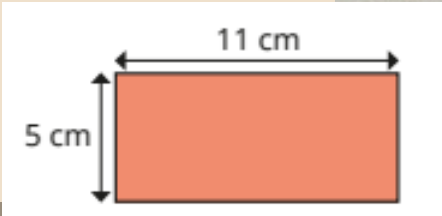

MATHS

This term we will be learning:

- Multiplication and Division
- Length and Perimeter
- Fractions
- Decimals

$$\frac{3}{4} + \frac{\square}{\square} = 1$$

SCIENCE

This term our topics are:

- Electricity - Children will learn about a variety of battery and mains powered electrical appliances. They will construct simple series circuits containing a variety of components and recognising an incomplete circuit.
- Animals Including Humans - Children will learn the importance of the digestive system and about different types of teeth and their purpose. We will also be looking at a variety of food chains, identifying producers, predators and prey.

R.E.

The units we cover are:

- Christmas
- Jesus is the light of the world
- Lent
- Holy Week

HISTORY

We will be learning about:

- The Romans
- Roman Inventions such as roads and aqueducts.
- Hadrian's Wall built in AD 122-128
- Roman Gods
