

YEAR 4 AUTUMN TERM

BOOKS

MATHS

- This term we will be learning:
- Place Value (numbers up to 4 digits)
 - Addition and Subtraction
 - Length and Perimeter
 - Multiplication and Division

ENGLISH

Using our Class texts, we will be focussing on:

- Diary Entries
- Instructions
- Narratives with a fantasy setting

Our SPAG focus will be:

- Expanded Noun Phrases
- Fronted Adverbials

R.E.

The units we cover are:

- Creation
- Jesus Teaches us how to Pray
- Advent

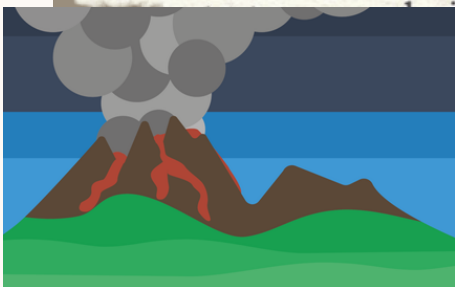

'YOUR CHILDREN WILL BE TAUGHT BY THE LORD AND GREAT SHALL BE THE PEACE OF YOUR CHILDREN'

ISIAH

GEOGRAPHY

We will be learning about Naples. We will be:

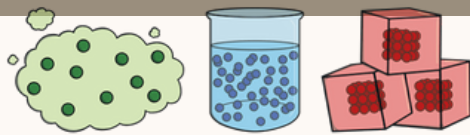

- Locating Naples on a Map.
- Identifying the physical and human features of Naples.
- Learning about what causes a volcanic eruption.
- Exploring the cause and effect of the eruption of Vesuvius.

SCIENCE

Living Things and their Habitats:

- We will be learning about the different types of animals and their habitats and how they have adapted to their environments.

States of matter:

- We will learn about the particle arrangements in solids, liquids and gases and we will look at how materials change between the different states.

ART

We will be developing our collaging skills while studying the work of Henri Matisse.

D.T.

We will be making biscuits. We will evaluate different biscuits before designing, budgeting and creating our own recipe.

HISTORY

We will be learning about: The Romans

- Who they are
- Why they invaded Britain
- What the Roman Army were like
- Supporters and enemies
- Religion
